Sobre a Paul Western

A Paul Western foi fundada no ano de 1994. A Empresa tinha como foco a produção limitada de luvas para montaria e cintos na cidade de Guapiaçu – SP. Seu Fundador, Paulo Cezar da Silva, antes de instaurar sua Empresa trabalhava produzindo selas, arreios e fazia concertos de traíás em geral. Por conta da sua dedicação e proximidade com o mundo do Rodeio, Paulo nunca parou de inovar e melhorar seus produtos, pois conhecia de perto as necessidades de seus Clientes. Hoje somos uma das maiores Empresas do ramo Country, contando com uma área construída de 980 metros quadrados e vários equipamentos modernos, gerando maior qualidade em seus Produtos.
